

YOU SAID: WE'RE THE RIGHT CHOICE FOR THE RIGHT REASONS

Martin went the extra mile to renew my faith in Spectramed re: my unpaid Account at Lancet lab

The person handling my query was very polite and well mannered. She knew how to handle my call. Resolved my query. I was very satisfied with the outcome of my call.

Service is generally very good. No complaints.

Such a pleasure to talk to the lady and she explained... my claim very well. Thank you.

Your tele-consultant did her work thoroughly and quickly while courteous and well-spoken.

I really liked being kept informed of my place in the queue. Well done!
