

# HOW TO ACCESS YOUR MEDIBOOSTER BENEFITS

Accessing your MediBooster benefit has never been easier.

Simply follow these stress-free steps to begin enjoying your unique MediBooster:

1. Visit your nearest Clicks store that has a pharmacy and clinic
2. Visit the clinic nurse and inform her that you would like to access your Spectramed MediBooster benefits
3. Undergo the basic health assessment with the clinic nurse (includes health measures like blood pressure, Body Mass Index(BMI) etc.
4. The cost of the Health assessment is covered from your Preventative Screening Benefits, subject to your Benefit Booster limit.
5. The clinic sister will submit your assessment directly to Spectramed
6. After 2 working days, you will be registered for your MediBooster and can visit your Clicks pharmacy to select the items you require that are on the MediBooster list ([Click here](#) to view the list)
7. Take the items to the dispensary for the pharmacist to process

**Please note:** You must undergo the health assessment every year in order to activate your MediBooster benefit. Activation is valid from 1 January to 31 December in any given year.
