

How to Register for Specialised Dentistry

Step 1

To register for Specialised Dentistry, either you (Spectramed Member) or the treating doctor must contact the Spectramed customer service centre (0861 497 497) to obtain the application forms. These can also be obtained on the website.

Step 2

The doctor must then complete the application forms and send them to:

dental@spectramed.co.za (email) or

0861 492 492 (fax)

Step 3

If there are any questions or outstanding information regarding your application, Spectramed dental department will get in touch with either you or your treating doctor.

Please note: Dental authorisations normally take between 2 - 5 working days to process, once all the relevant documentation has been received.
