

The right choice for the right reasons

At Spectramed we offer you quality, private benefits that will take care of your every healthcare need.

Emergency services

You will never be left stranded in the case of an accident or emergency thanks to our Emergency Services partnership with Europ Assistance that will:

- Send an ambulance to you immediately, wherever you are
- Transport you to a hospital to get you the care you need

Hospitalisation

As a Spectramed member you will have the care you need in a private hospital with:

- Unlimited in-hospital cover across all our options
- Maternity benefits including baby scans
- Blood tests and scans/x-rays cover
- Cover for alcohol abuse, mental illnesses and related conditions
- Take home medicine when you leave the hospital

Cancer care

Always get the care you need with the Spectramed cancer benefits that include:

- Cover for the diagnosis
- Chemotherapy
- Radiotherapy
- Medication

Diabetes Care

Diabetes is often a silent illness but thanks to Spectramed, you have all the cover you need for:

- Blood tests
- Medication
- In-hospital care
- Out-of-hospital care

HIV cover

Always know your status and have the care you need with Spectramed's quality HIV cover including:

- 2 x Voluntary Counselling and Testing every year
- HIV medication
- Related blood tests
- HIV related in-hospital care
